What Choir Directors Say About MUSIC QUEST

I love to attend Gary Bonner's MusicQuest. Each year I go home with many great anthems for my choir. In fact, most of the favorite anthems my choir sings were first read at MusicQuest. I highly recommend it!

Dr. William Heide, Minister of Worship and Music, St. John's Lutheran Church, Orange, CA

Judd, my wife and I thought this year's event was without question the finest experience we have had at Music Quest, or anywhere else for that matter, in the 14 years we've been coming. We came to that conclusion because of the wonderful relationship it appears you and your dad have formed in the context of this event. This year far exceeded our greatest expectations. Here we had two experts in what we all came to hear and learn about. The meaningful and often humorous back-and-forth discussions between the two of you and with us, the similar and differing viewpoints about the things that matter most to us in developing our choirs, were priceless.

Joe Hartley, Choir Director, Seacoast Grace Church, Cerritos, CA
